Dear Mr Pickard,

I am writing with referance to the props belonging to our theatre group which are missing from Lancaster Church's premises since the end of 1979.

We believe the Church is insured against theft and would like to enquire about the possibility of making a claim to the Insurance Company.

With this in mind we enclose a list of the items which are missing and our estimate of their replacement value.

Thank you for your cooperation in this matter.

Yours sincerely
