Dear Mr Fairclough,

I am writing on behalf of the Portuguese Theatre Group Alem Fronteiras. Yesterday I met with Ms Paula Brown from the Broadside Mobile Theatre Group who informed me that you are going to produce a leaflet-booklet containing a list of socialist/community theatre groups. We would like to be included in it. Please find enclosed a leaflet which gives you some information on our group and the play we are performing presently.

I would like to reinforce the point made in our leaflet that although the play is mostly in Portuguese, it is very visual and we introduce the scenes in English. We have performed it for non-Portuguese speaking audiences with great success. We want to perform for as many and varied audiences as possible, as we think it is very important to help bringing down the barriers and misunderstandings between workers of different cultures.

We need at least two weeks notice to perform. If there is any other information you need to know, please get in touch with me at the above address.

Looking forward to hear from you,

Henriqueta Oliveira
(for the theatre group)
