Dear friends,

I am writing on behalf of the Portuguese Theatre Group Alem-Fronteiras. Last Sunday I met Emilio Fuentes at a performance of our play "Para onde vou?" and he suggested I should write to you.

Can you please inform your member associations (both centres and parents associations), that the Theatre Group Alem Fronteiras is available for performances of the play "Para onde vou?". Please find enclosed some leaflets to circulate amongst your members.

Emilio Fuentes also mentioned the possibility of publishing an article on our group in your information bulletin. For the time being, the best and quickest thing might be to publish what is in the leaflet but in the future, if you are interested, we can send you an article about how the group came into existence, what kind of support we have had, plans for the future, etc. If you have any other suggestions please let us know.

If any of your associations is interested in arranging a performance, please asked them to get in touch with me at the above address or telephone 749-0067 (after 50'clock). If anybody wants to see a rehearsal before taking a decision, that can be arranged.

Looking forward to hear from you,

Yours sincerely

M. Fernanda Oliveira
