In the continuation of our previous contacts regarding the possibility of the Portuguese theatre Group Alem Fronteiras performing for you, please find enclosed a leaflet that will give you more information on the theatre group and the play we are performing at the moment.

If you are still interested in organizing a performance we will be very happy to do it and you contact me at the above address or Telephone to 749-0067 (after 5 o'clock)

Besides the theatre we also have a singing group. The singing group will be performing this coming Sunday at 9 o'clock at Theatre Technies (find enclosed publicity). Looking forward to hear from you.
