Dear friends:

I am writing on behalf of the ^{Portuguese} theatre group Além - Fronteiras in order to let you know about our theatre group and our availability to perform our play "Where am I going to?" in any of your social events. I would just like to stress the relevance of a play on immigration in the present political climate and therefore the importance of playing it to as many audiences as possible, specially immigrant organisations. Although the play is partly in Portuguese and partly in English, we have performed it for non-Portuguese speaking audiences with great success and no major language problems as the play is very visual and we introduce the scenes in English.

Please find enclosed some leaflets which will give more information on our group and the present play.

If you are interested in the possibility of our group performing for you in social events please contact me - Fernanda Oliveira (749-0067) evenings.

Looking forward to hear from you

Yours sincerely
Fernanda Oliveira
