Dear Mr Oliveira

Thank you for your grant enquiry dated 26th February.

I'm afraid we do not normally support touring performances whether in Britain or in Portugal by amateur groups or individuals; and would find it impossible to do so in the case of an amateur group proposing to tour with a new play of their own writing in Portuguese, since that would require our making judgements about the quality both of the work in Portuguese and of the performance which we are in no way equipped to make.

I'm sorry we are not able to help and hope you find some other source for the funds you seek.

Yours sincerely
